# 10 glorious editions of imbibing innovations in the fibre of Indian technical textiles

Techtextil India, the most premium trade fair for the technical textile and nonwoven industry of the Indian subcontinent will feature its glorious 10th edition in 2025.

Strengthening its position as an industry influencer, this B2B platform has successfully bridged the gap between its manufacturers, resellers and buyers from 12+ industries since 2005.

This is “the platform” to advance your company’s technological innovations, develop unparalleled networking opportunities and explore new markets that will match your company’s long term vision.

Exhibitors recommend participating in this trade fair

## Bridging the gap between innovations and sourcing

- Exhibit innovations in filtration and masterbatches on the show floor
- Display end-to-end solutions ideal for 12 application areas
- Conduct business interactions with domestic and international buyers
- Bring forth the best in medical textiles with a dedicated pavilion - Meditex™
- Network with key attendees from our seminars on emerging topics like geotextiles

# Indian technical textile industry : A USD \$22 billion market\*

India has the fifth largest technical textiles market in the world

Technical textiles receives government impetus from agriculture, water resources, road and railways, health, home and family welfare ministries

Geogrids, Geotextiles, Agricultural textiles, Medical textiles and Protective textiles is likely to be in high demand in the near future

Tap into this opportunity by meeting your target audience at Tectextil India where majority of our buyers are from Agrotech, Medtech, Geotech, Protech amongst others.

## 2023 Chapter : A resounding success

## Growing momentarily in a tightly knit community since two decades

Exhibitors plan to exhibit in the next edition

Exhibitors reached relevant target groups

Exhibitors met key decision makers at the show

Exhibitors made new contacts

Exhibitors expected to close sales post event

“  
Techtextil India is a great show! It has been very good for us where we have had very good meetings with some prospective and existing customers. I think it's the right kind of platform for the technical textile industry to showcase their offerings and network with the industry.”

Kiran Warriar,  
SBU head, Welspun  
Advanced Textiles

## Exhibitors share their experience

“  
It's been a very interesting experience for us with so many discussions, leads and new business opportunities. Techtextil India is where you will find quality buyers and I would recommend this expo to any company irrespective of their business scale. The event has been very seamless and we're very grateful to be involved in this event. We'll definitely be back at Techtextil India 2025!”

Shivani Swamy, Global Sales  
and Business Development,  
Livinguard

“  
We've received a great response at the exhibition. We've received fabricators, professionals looking for new kinds of applications and garment manufacturers. Techtextil India is a good platform to create awareness and promote its applications in India. We would definitely be considering exhibiting in the future.”

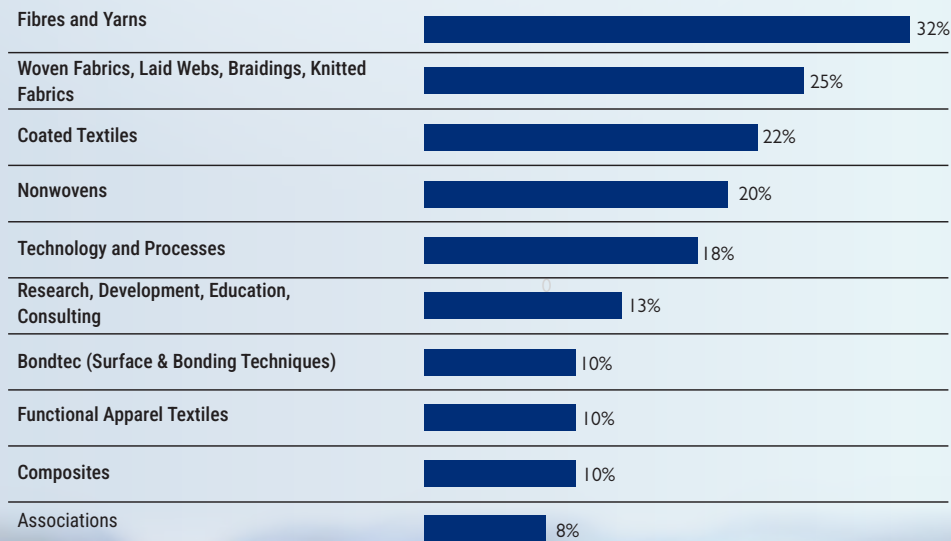

Prasanna Joshi, Joint President &  
Global Head - Technical Textiles,  
Aditya Birla Group
