International trade fair for technical textiles, nonwovens and sport textiles

part of
TEXPERTISE

Embrace a new era of technical textiles in 2027

Techtextil India, the international trade fair for technical textiles, **nonwovens and sport textiles is set to launch its 11th edition from 8 to 10 December 2027 in Mumbai**. Over the past two decades, Techtextil India has grown into a powerful B2B marketplace where **manufacturers, suppliers, innovators and buyers** come together to shape the future of advanced textile applications, and the forthcoming edition will only continue this growing legacy of industry influence.
This is where you will be introduced to unmatched opportunities that will weave a new story of business growth, product innovation and international collaborations for your brand!

92% of exhibitors will return for the next edition

Tap into the following benefits by participating with us in 2027

- Join an exclusive lineup of international and domestic brands showcasing the full spectrum of high-tech textiles across **12 application areas**
- Expand your horizons via new product additions like Textile Chemicals & Dyes
- Showcase your business' new product verticals in featured pavilions
- Spend your professional time with industry experts and researchers at knowledge driven conferences

The Indian market is projected to reach USD $40 – 50 billion by 2030

India's technical textile market is rapidly expanding, driven by infrastructure, mobility, and industrial demand. Tap into this potential with Techtextil India which will give you immediate, pan-India market reach, access to key textile clusters and collaboration opportunities with businesses who are looking to adapt to international technologies.
